“KarelCAD has been involved with our use of Revit software and the training of our design team so we can get the best possible result from every project. By ensuring that our team is constantly growing in ability we also ensure that our clients expectations are exceeded and most of all we enjoy the work we do.” - Shelton Finnis

The KarelCAD team ensured that we have the latest technology and provide a smooth transition from old CAD software to the new. The training and onsite implementation was highly organised and backed up by courteous and professional staff who new their business.

- Bob Steger & Shane Kunkel ARANKAY DESIGN
